HISTORY OF THE MANSION

The Grisso Mansion is on the National Register of Historic Places. The mansion was a “dream home” built by W.E. Grisso for his wife Maggie. Construction on the home began in 1926 and concluded in 1928. Built at a cost of \$750,000, the 26-room mansion has many unique features including a cascading stairway, a ballroom, fountains, a vineyard, eight fireplaces, and a conservatory. With Italian Renaissance charm, the Grisso Mansion also features stunning fountains, enchanting koi ponds, a native stone reflecting pool.

Located less than one hour east of Oklahoma City, this Oklahoma treasure is currently open for weddings, parties, reunions and tours.
